To obtain FX Trader and business development position that will allow me to utilize my skills and has potential for growth.

About me

Ahmed Ragab has gained extensive experience in the field of local and global stock markets and has worked with several leading companies in the stock market in Egypt, the UAE, China, and Cyprus.

- He founded Trade Master Financial Consulting and Agencies, through which he provided his consulting expertise to numerous companies.
- He established a training department within Trade Master to share his practical experience in training many students in areas such as trading, sales, digital marketing, and others.
- In the past four years, Mr. Ahmed Ragab began to expand his presence on social media, sharing his expertise in economics and the stock market by recording numerous educational videos and publishing them on various social media platforms.
- He has participated in many specialized television programs in the field of economics on local and satellite channels.
- He has taken part in a large number of conferences related to economics and training, receiving numerous accolades, including recognition as one of the "Top 100 Influential Figures in the Arab World" and "Best Business Development Manager in the Middle East and North Africa."
- He has been praised by many economic websites such as TradingView and Investing, as well as the National Media Authority, for his participation in various activities, which has placed him at the forefront of Google searches when looking for "Ahmed Ragab, the economic expert."
